RE: 12 Day Pre-Primary Report (7/1/10-8/25/10)

Dear Ms. Sugarman:

I am in receipt of your letter dated October 12, 2010 and have investigated the 2 items noted for follow-up.

1) Schedule A did contain a contribution from a PAC that was inadvertently miscoded to the Primary election instead of the General election. The campaign received two contributions from "Every Republican is Crucial" – a multi-candidate committee. I have enclosed copies of both checks that clearly state the first check (#4253) was intended for the Primary election and the second (#4386) was intended for the General election. I have amended the FEC 3 report on Monday October 18, 2010 to correct the coding error.

2) Schedule A for Line 11(a)(i) also contained an error as the in-kind contribution by Mr. and Mrs. Barry Blenis should have been attributed to Mrs. Blenis (Bonnie) as Mr. Blenis had contributed the maximum amount for the primary election. I have attached tne jointly signed donor form and included the correction in the amended FEC 3 report filed in connection with #1 above.

I apologize for the inadvertent errors in the filing. I understand the importance of the filings and will continue to work to ensure that all FEC regulations are followed. In both cases noted above, human data entry error was the cause of the issue.

Once again, I apologize for the inconvenience this may cause you.

Should you have any questions regarding this correspondence, please do not hesitate to contact me.

Sincerely,

Nancy K. Patzwahl,
Campaign Treasurer
